

How to Create Your Facebook Fundraiser on your Desktop

1. Click Create in the upper blue menu bar.
Then select fundraiser in the drop down.
2. Click Nonprofit
3. Search for “Griffith Centers”
4. Click “Griffith Centers for Children Inc.”
5. Complete “Let’s start with the basics”
6. Create a title for your fundraiser

(Example: Peak Challenge Fundraiser for Griffith Centers)

7. Explain why you’re raising money

Information that could be included:

- Your Team Name
- What Mountain you’re climbing
- General Information about Griffith Centers and Peaks Challenge

(Example that can be copied and paste into box: I am climbing a 14er mountain in the Peaks Challenge Mountain Ascent to help raise money for Griffith Centers for Children. The children who come to Griffith have parents who are not able to care for them.

Most of the kids served by Griffith Centers have experienced severe abuse and neglect. Without help, they may never get over the anguish of their past. Griffith Centers for Children changes the odds for kids to have a favorable recovery and a happy future. For more information about Griffith Centers for Children, and the remarkable work they do, see their website at www.griffithcenters.org.)

8. Upload a photo (optional) (examples: picture of you climbing, mountain you’re climbing, etc.)
9. Click “Get Started”
10. Choose friends to Invite to support your fundraiser
11. Share your fundraiser on your Timeline
12. Donate to your fundraiser to encourage others to do the same.
